**PROJECT NAME:** Home Road Trail Extension

**Brief Project Description:**

Concord Township is seeking \$48,000 to construct a section of trail along Home Road. This section of trail, approximately 650 linear feet, allows the township to connect the last remaining segment of trail along this corridor.

**How does this Project relate to the Delaware County Trail System Master Plan?**

This trail segment will close the remaining segment of the townships trail network. This trail network ultimately connects into the larger network of Dublin making this a regional connection.

**PROJECT FINANCIAL INFORMATION**

Funding Amount Requested: \$ 48,000.00 (\*)

**Proposed Use for DCTC Funds:**

Construction of 650 linear feet of trail along Home Road. We will also use a portion of the funds to construct a small culvert. Engineering designs are not yet complete.

**Does your community have a financial plan for maintenance of the completed project?**

**Please explain:**

The current segments have been maintained by the township since their initial installation. This new segment would be no different.

**DETAILED PROJECT DESCRIPTION**

(include a route map with property ownership identified, site photos and other appropriate info)

Specific Location and Work to be completed (including begin and end termini):

The path is 650 lin ft along the south side of Home Rd in 2 separate pieces. It starts west of Tree Lake at the end of the existing 10 ft wide path and continues west to connect Dulin farms path. It would then continue from Dulin Farms Dr and would cross the Dulin residence ( 4919 and 4941 Home rd)

Length: 650 lf Width: 10 ft Number of properties intersecting trail: 2

Have all necessary easements on private property been secured?  N/A  Yes  No

Is the trail located within existing right-of-way?  Yes  No

Is the trail part of a preserve, natural or scenic corridor?  Yes  No

Are there constructability issues or environmental concerns?  Yes  No

Please explain how these will be addressed.

There is one minor culvert. However, that will be easily constructed.

Does this trail connect to an existing trail?  Yes  No

Is the trail part of (or link to) the Central Ohio Greenway Trail system?  Yes  No

Is the trail part of (or link to) the Delaware County Trail System Master Plan?  Yes  No

If yes to any of the above three questions, please explain:

This trail request is for two small sections of the Home Road trail. They are the final two segments of the Home Road Trail that has been open for several years now.

Does the trail provide a transportation alternative along with recreation?  Yes  No

Does the trail connect destination locations (schools, parks, retail, restaurants, etc.)?  Yes  No

Please explain:

As you can see by the attached map, it will complete the connection of the trail so that hundreds of residents to the township's largest park.

Please explain how the project will address equity or quality of life needs especially for the disadvantaged and/or underserved populations within your community:  
 (Such populations may include low-income, minorities, senior citizens, veterans, children, persons with mental/physical disabilities, college students or other groups unintentionally excluded from planning processes)

This connection will allow those in our various sub-divisions access to the townships largest park

Because of this connectivity these residents who are without a vehicle or elderly etc. can walk or ride bike to have access to the entire park .

Please explain the Economic Opportunities this project may provide:

When we have done surveys of residents the one thing that comes up time and again, walkability.

When this connection is fully made, it will impact the property values as well as sense of community for all residents.
