PROJECT NAME: 2024 Park Enhancements

Brief Project Description:

Replacing our large bridge decking and side rails with updated Trex decking, as well as all wooden park bench seats throughout the park and trails with updated Trex material. We will also be adding two more benches within the trail area for people to stop and enjoy nature.

How does this Project relate to the Delaware County Trail System Master Plan?

By upgrading our trails and park the public will be able to enjoy for many years to come. Delaware Township trails and park consists of 12 acres with 6 acres being wooded with a natural stream running throughout our rolling trails. To sum if all up Delaware Township might not have a large trail system but we do have unique natural trails with various grades that allow people to exercise while they enjoy nature at the same time, which makes for a happy and healthy community.

DETAILED PROJECT DESCRIPTION

(include a route map with property ownership identified, site photos and other appropriate info)

Specific Location and Work to be completed (including begin and end termini):

Work to be done at 2590 Liberty Road mainly on the south side of the property. Replacing decking and side rails on bridge, replacing all existing park bench boards as well as adding two more benches within the trails.

Length: 880 ft Width: 700ft Number of properties intersecting trail: 1

Have all necessary easements on private property been secured? N/A Yes No

Is the trail located within existing right-of-way? Yes No

Is the trail part of a preserve, natural or scenic corridor? Yes No

Are there constructability issues or environmental concerns? Yes No

Please explain how these will be addressed.

n/a

Does this trail connect to an existing trail? Yes No

Is the trail part of (or link to) the Central Ohio Greenway Trail system? Yes No

Is the trail part of (or link to) the Delaware County Trail System Master Plan? Yes No

If yes to any of the above three questions, please explain:

We wouldn't say it is connected, but there is a city park on the other side of the street from our park / trails.

Does the trail provide a transportation alternative along with recreation? Yes No

Does the trail connect destination locations (schools, parks, retail, restaurants, etc.)? Yes No

Please explain:

Our trails connect to the rest of our park that includes a playground, basketball court along with outside restrooms and two shelter houses located on each side of the trails.

Please explain how the project will address equity or quality of life needs especially for the disadvantaged and/or underserved populations within your community:
 (Such populations may include low-income, minorities, senior citizens, veterans, children, persons with mental/physical disabilities, college students or other groups unintentionally excluded from planning processes)

Delaware Township is a non-profit Government entity with more than 2,700 residents in the township. Our hall is occupied on average 3 days a week, for birthday parties, baby showers, graduations & Anniversary parties. Which all have access park and trails. The last couple years Special Olympics has also been using our large fields for soccer practice and really enjoy the green space we provide.

Please explain the Economic Opportunities this project may provide:

Upon receiving this grant it would allow us to keep our trails and park up to date, and the chances for our community to improve their standard of living through physical activity and mental happiness from nature.
