Scott B. Sanders, AICP Executive Director

## TECHNICAL REVIEW COMMITTEE AGENDA

Meeting date: Tuesday, January 19, 2021

9:00 a.m.

Via Zoom Meeting: Invitation within the body of the email

The DCRPC has received subdivision applications for the following:

(The subdivisions will be discussed in the order listed below)

### Preliminary

01-21 Berlin Farms Berlin 91 lots / 62.7 acres

### Variance

02-21.V Richard & Christina Lehner - Thompson Twp. - requesting 4 lot CAD

Technical Review Committee members should review the Preliminary plans for compliance with their particular regulations prior to the above meeting. *Please provide your written comments to the RPC office*

([smatlack@co.delaware.oh.us](mailto:smatlack@co.delaware.oh.us)) no later than 3:00 p.m. **January 15, 2021**. We will provide digital comments to the applicants/consultants. Be prepared to discuss your comments with the developers and/or consultants.

Digital copies of submitted plans are available within the county network at “<\\DELCO-PRIMARY\shared\RPC-data\Submitted Preliminary>” and also on the DCRPC website at “[https://regionalplanning.co.delaware.oh.us/current\\_events/mailling/](https://regionalplanning.co.delaware.oh.us/current_events/mailling/)”

It is recommended that the developer and appropriate consultants to attend this meeting to respond to questions and/or concerns from the Technical Review Committee. Notes taken at TRC meetings shall serve as the basis for the staff comments for the Regional Planning Commission Preliminary Plan hearing and a preliminary checklist for final plat approval. Statements made by, or on behalf of, the Technical Review Committee or Staff shall not be binding upon the Commission.
