Scott B. Sanders, AICP Executive Director

## Technical Review Committee Memo.....

Meeting date: Tuesday, February 15, 2022 Time: 9:00 a.m.

Location: Delaware County Regional Planning Commission  
109 N. Sandusky Street  
Delaware, Ohio 43015

The DCRPC has received subdivision applications for the following: *(The subdivisions will be discussed in the order listed below)*

<u>RPC #</u>	<u>Subdivision Name</u>	<u>Twp.</u>	<u>Lots / Acres</u>
06-22	Oaks at Big Walnut	Trenton	14 lots / 58.213 acres
03-22	Berlin Meadows	Berlin	336 lots / 168.13 acres
04-22	Maeve Meadows	Berlin	35 lots / 23.83 acres
05-22	The Fairways at Blue Church, Sec. 1, Lot 171, Div. #1	Kingston	5 lots / 13.519 acres

Technical Review Committee members should review the enclosed plans for compliance with their particular regulations prior to the above meeting. *Please provide your written comments to the RPC office([smatlack@co.delaware.oh.us](mailto:smatlack@co.delaware.oh.us)), or upload them to TrakIt if you have access, no later than 3:00 p.m. **Monday, February 14, 2022.*** We will provide digital comments to the applicants/consultants. Be prepared to discuss your comments with the developers and/or consultants.

Digital copies of submitted plans can be found at [https://regionalplanning.co.delaware.oh.us/current\\_events/mailling/](https://regionalplanning.co.delaware.oh.us/current_events/mailling/)

It is recommended that the developer and appropriate consultants attend this meeting to respond to questions and/or concerns from the Technical Review Committee. Notes taken at TRC meetings shall serve as the basis for the staff comments for the Regional Planning Commission Preliminary Plan hearing and a preliminary checklist for final plat approval. Statements made by, or on behalf of, the Technical Review Committee or Staff shall not be binding upon the Commission.
