Scott B. Sanders, AICP Executive Director

Technical Review Committee Memo.....

Meeting date: Tuesday, May 17, 2022 Time: 9:00 a.m.

Location: Delaware County Regional Planning Commission
109 N. Sandusky Street
Delaware, Ohio 43015

The DCRPC has received subdivision applications for the following: *(The subdivisions will be discussed in the order listed below)*

<u>RPC #</u>	<u>Subdivision Name</u>	<u>Twp.</u>	<u>Lots / Acres</u>
15-22	Hidden Ravines Crossing	Orange	1 lot / 31.13 acres

Technical Review Committee members should review the submitted plans for compliance with their particular regulations prior to the above meeting. *Please provide your written comments to the RPC office at smatlack@co.delaware.oh.us, or upload them to TrakIt if you have access, no later than 3:00 p.m. **Monday, May 16, 2022.*** We will provide digital comments to the applicants/consultants. Be prepared to discuss your comments with the developers and/or consultants.

Digital copies of submitted plans can be found at https://regionalplanning.co.delaware.oh.us/current_events/mailling/

It is recommended that the developer and appropriate consultants attend this meeting to respond to questions and/or concerns from the Technical Review Committee. Notes taken at TRC meetings shall serve as the basis for the staff comments for the Regional Planning Commission Preliminary Plan hearing and a preliminary checklist for final plat approval. Statements made by, or on behalf of, the Technical Review Committee or Staff shall not be binding upon the Commission.
