

Delaware County Regional Planning Commission

Annual Report

2022

Providing planning and zoning assistance to Delaware County since 1961

Contents

Representatives	1	In addition to this Annual Report , the RPC staff regularly publishes two reports that are of interest to our residents, communities, representatives, developers, and other governmental agencies.
Introduction	2	
Summary	4	Our Demographic Information , is updated as information is received. It features population estimates derived from Census information and local building permit data.
Financial	5	
Rezoning	6	
Subdivisions	8	Our other annual publication, Delaware County Development Trends , is a more detailed look at the number of lots in the development pipeline. It presents subdivision and zoning proposals in numerous ways, not only for last year, but for the last several years and decades.
Plats/Summary Stats	10	
GIS Activity	11	
Building Permits	12	It is vital that our member communities help us keep our data current. If you see a zoning code on our website that is outdated, please alert our staff and we will make sure it is updated on the site and in our files.
Road Construction/Inspections	13	

Cover: 109 Sandusky Street has been the home of DCRPC staff since 2003. We look forward to our 2023 move, along with several other development-related agencies, to the renovated Byxbe campus.

Mission

The Delaware County Regional Planning Commission was established to provide growth management systems, planning services and general information to all governmental entities in Delaware County, Ohio relating to land use planning and coordination of activities of regional significance.

Established in 1961, the DCRPC is the statutory planning authority for Delaware County (ORC 713.21(A)), working with all communities within Delaware County on projects of both local and regional significance, empowered (ORC 713.23(A)) to make studies, maps, plans, recommendations, and reports concerning the physical, environmental, social, economic, and governmental characteristics, functions, services, and other aspects of the county, respectively. It also serves as the subdivision platting authority in unincorporated areas via ORC 711.10, working closely with local communities and county agencies such as the County Engineer, Sanitary Engineer, Soil and Water Conservation District, Building Safety, Health District, and other utilities to ensure development occurs in accordance with the Subdivision Regulations, local zoning, and other plans. It is required, by ORC 519.07, to serve as a review agency for all rezonings within the unincorporated areas of the county and to be a resource for other zoning-related matters such as development plan reviews and amendments. Much of this information is hosted on the DCRPC website.

Representatives

The DCRPC is comprised of one representative from each Township/Municipality participating in the funding of the Regional Planning Commission. County Commissioners and the County Engineer are representatives, as are one member from the Board of Health, Sanitary Engineer Department, and Code Compliance. Members serve a three-year term commencing March 1st of each year. The Board of County Commissioners and the County Engineer serve during their tenure in office. The Executive Committee is comprised of four appointed members of the DCRPC and one Commissioner appointed by the Board of Commissioners. Executive Committee officers serve a term of one year commencing at the first regularly scheduled Executive Committee meeting in April.

Commercial Tax Collection

As part of a township comprehensive planning project, we created a map (top) indicating the location of uses that generate commercial tax, sorted and displayed based on the amount of taxes generated, according to the County Auditor's information. The other map shows employment locations throughout Delaware County, colored by number of employees.

Inspections

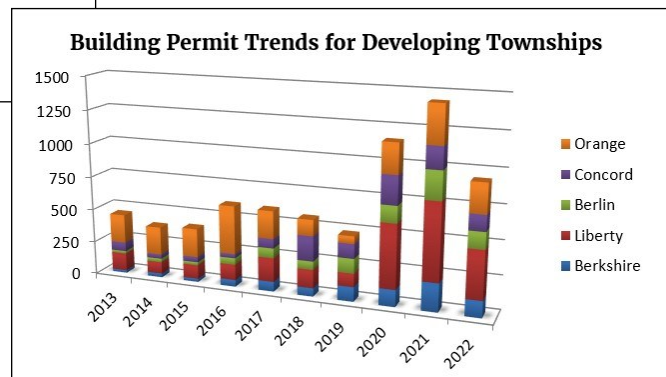

The Building Safety office permits residential and commercial uses in the unincorporated areas and Ashley, Galena, Ostrander, Sunbury, and Shawnee Hills. The office also administers the Floodplain Regulations and serves as the Zoning Office for the townships under the County's zoning code (Marlboro, Radnor, and Thompson Townships). The following chart indicates the building inspections throughout 2022. *(Average increase of 100 per month over 2021). Source: Building Safety*

Building Safety Inspections

I will applaud the time you spent to do your zoning work and your land use planning ... I have a few counties that are fast-growing, maybe ten years behind Delaware County, and they don't have that done. I've used your name, in terms of "I think you need to go talk to Delaware County about the journey they've been on the last decade."
