Subject: Howard Farms – Preliminary Plan Extension

Dear Ms. Matlack,

Homewood Corporation formally requests a variance to Delaware County Subdivision Regulations Section 204.04 for a one (1) year extension of the Preliminary Plan for the single family development. The development consists of 7 proposed sections. Sections 1-4 have been recorded. However, Sections 5-7 have not yet been recorded.

Construction of the development is ongoing and sales are consistent. Due to the large size of the development/number of lots as well as acquisition of an offsite sanitary sewer easement to provide service to the development an extension is requested for the remaining sections 5-7.

We appreciate your consideration in this matter.

Sincerely,

A handwritten signature in blue ink that reads "Patricia A. Brown".
