Scott B. Sanders, AICP *Executive Director*

September 2026

The Delaware County Regional Planning Commission cannot endorse or recommend specific surveyors or developers. However, from time to time we are asked for contact information for private firms who have done business in Delaware County. The following table includes the names and contact information taken from our database of recent applications. There are many firms that perform a variety of services based on the need of each application. We encourage you to research the best firm or surveyor for your project.
